¹ 'when evaluated' is indicative, but may be carried out at any time throughout the selection process

² The GMC will introduce a licence to practice in the autumn of 2009. Any doctor wishing to practice in the UK after this date must be both registered and hold a licence to practice.

³ Non-training posts will be recognised, where evidence is available of competences achieved equivalent to training posts. Recognition of non-training posts will lead to a Certificate of Eligibility for Specialist Registration rather than Certificate of Completion of Training

⁴ The six elements are Emergency Medicine, Acute Medicine, Anaesthetics, Intensive Care Medicine, Paediatrics/Paediatrics EM, and Trauma & Orthopaedics

⁵ A selection centre is a process not a place. It involves a number of selection activities that may be delivered within the Unit of Application.

Health	Meets professional health requirements (in line with GMC standards/ Good Medical Practice)	Application form Pre-employment health screening
