

**2012 Person Specification**  
**Application to enter Specialty Training at CT2: ACCS-Anaesthesia**

<b>Entry Criteria</b>		
	<b>Essential Criteria</b>	<b>When Evaluated<sup>1</sup></b>
<b>Qualifications</b>	MBBS or equivalent medical qualification	Application form
<b>Eligibility</b>	<ul style="list-style-type: none"> <li>• Eligible for full registration with the GMC at time of appointment<sup>2</sup> and hold a current licence to practice<sup>3</sup>.</li> <li>• Evidence of achievement of <b>Foundation competences</b> from a UKFPO affiliated Foundation Programme or equivalent in line with GMC standards/Good Medical Practice including:               <ul style="list-style-type: none"> <li>○ <i>Make the care of your patient your first concern</i></li> <li>○ <i>Protect and promote the health of patients and of the public</i></li> <li>○ <i>Provide a good standard of practice and care</i></li> <li>○ <i>Treat patients as individuals and respect their dignity</i></li> <li>○ <i>Work in partnership with patients</i></li> <li>○ <i>Be honest and open and act with integrity</i></li> </ul> </li> <li>• Evidence of achievement of CT1 ACCS competences by the time of appointment</li> </ul> <p style="text-align: center;"><b>OR</b></p> <ul style="list-style-type: none"> <li>• If unable to demonstrate the CT1 elements of ACCS competences, it is acceptable to be able to demonstrate 2 of the 4 elements that make up the first 2 years of ACCS<sup>4</sup>. This must include Anaesthesia and/or Intensive Care Medicine.</li> <li>• Eligibility to work in the UK</li> <li>• Not previously relinquished, released or removed from a Core Anaesthesia training programme or from an ACCS training programme except under exceptional circumstances<sup>5</sup></li> </ul>	<p>Application form</p> <p>Application form Interview / Selection centre<sup>6</sup></p> <p>Application form/ Interview / Selection centre</p> <p>Application form</p>
<b>Fitness To Practise</b>	Is up to date and fit to practise safely	Application form References
<b>Language Skills</b>	<p>All applicants to have demonstrable skills in written and spoken English adequate to enable effective communication about medical topics with patients and colleagues demonstrated by one of the following:</p> <ul style="list-style-type: none"> <li>○ <i>that applicants have undertaken undergraduate medical training in English; or</i></li> <li>○ <i>have achieved the following scores in the academic International English Language Testing System (IELTS) in a single sitting within 24 months at time of application – Overall 7, Speaking 7, Listening 7, Reading 7, Writing 7</i></li> </ul> <p>If applicants believe they have adequate communication skills but do not fit into one of these examples they must provide supporting evidence</p>	Application form Interview / Selection centre

<sup>1</sup> 'when evaluated' is indicative, but may be carried out at any time throughout the selection process

<sup>2</sup> Time of appointment refers to the date at which the post commences

<sup>3</sup> The GMC introduced a licence to practice in 2009. Any doctor wishing to practice in the UK after this date must be both registered and hold a licence to practice at time of appointment.

<sup>4</sup> The four elements are Emergency Medicine, Acute Medicine, Anaesthetics, Intensive Care Medicine

<sup>5</sup> Examples might include ARCP outcome 4 or failure to progress after two or more failed RITA Es. Applications will only be considered if there is a letter of support from the Postgraduate Dean or designated Deputy of the deanery in which they worked. Should the Postgraduate Dean not support the application, appeal may be made to the Recruitment Lead whose decision will be final. The Recruitment lead may be the recruitment team at the office managing recruitment or at the deanery to whom you are making your application.

<sup>6</sup> A selection centre is a process not a place. It involves a number of selection activities that may be delivered within the Unit of Application.

<b>Health</b>	Meets professional health requirements (in line with GMC standards/ Good Medical Practice)	Application form Pre-employment health screening
<b>Career Progression<sup>7</sup></b>	<ul style="list-style-type: none"> <li>• Ability to provide a complete employment history</li> <li>• Evidence that career progression is consistent with personal circumstances</li> <li>• Evidence that present achievement and performance is commensurate with totality of period of training</li> <li>• <b>At least 12 months' experience<sup>8</sup></b> in ACCS CT1 specialties at specialty trainee level (not including Foundation modules) by time of appointment<sup>2</sup></li> </ul> <p><b>OR</b></p> <ul style="list-style-type: none"> <li>• Applicants must have <b>evidence of 12 months experience</b> in Anaesthesia and one additional specialty that forms part of the first 3 years of emergency medicine training (ACCS + CT3) (not including Foundation modules) by time of appointment<sup>2</sup> <ul style="list-style-type: none"> <li>○ Of these 12 months a <b>minimum of three months</b> in each specialty will be counted toward eligibility e.g. 9 months anaesthesia and 3/12 acute medicine</li> </ul> </li> </ul>	Application form  Interview / Selection centre
<b>Application Completion</b>	<b>ALL</b> sections of application form completed <b>FULLY</b> according to written guidelines	Application form

<sup>7</sup> All experience in posts at any level count irrespective of the country the experience is gained in

<sup>8</sup> Any time periods specified in this person specification refer to full time equivalent

Selection Criteria			
	Essential	Desirable	When Evaluated
