¹ 'when evaluated' is indicative, but may be carried out at any time throughout the selection process

² Time of appointment refers to the date at which the post commences

³ The GMC introduced a licence to practice in 2009. Any doctor wishing to practice in the UK after this date must be both registered and hold a licence to practice at time of appointment.

⁴ Examples might include ARCP outcome 4 or failure to progress after two or more failed RITA Es. Applications will only be considered if there is a letter of support from the Postgraduate Dean or designated Deputy of the deanery in which they worked. Should the Postgraduate Dean not support the application, appeal may be made to the Recruitment Lead whose decision will be final. The Recruitment lead may be the recruitment team at the office managing recruitment or at the deanery to whom you are making your application.

⁵ A selection centre is a process not a place. It involves a number of selection activities that may be delivered within the Unit of Application.

⁶ All experience in posts at any level count irrespective of the country the experience is gained in

⁷ Any time periods specified in this person specification refer to full time equivalent
