¹ 'when evaluated' is indicative, but may be carried out at any time throughout the selection process

² Time of appointment refers to the date at which the post commences

³ The GMC introduced a licence to practice in 2009. Any doctor wishing to practice in the UK after this date must be both registered and hold a licence to practice at time of appointment.

⁴ Examples might include ARCP outcome 4 or two or failure to progress after two or more failed RITA Es. Applications will only be considered if there is a letter of support from the Postgraduate Dean or designated Deputy of the deanery in which they worked. Should the Postgraduate Dean not support the application, appeal may be made to the Recruitment Lead whose decision will be final. The Recruitment lead may be the recruitment team at the office managing recruitment or at the deanery to whom you are making your application.

⁵ A selection centre is a process not a place. It involves a number of selection activities that may be delivered within the Unit of Application.

Career Progression⁶	<ul style="list-style-type: none"> • Ability to provide a complete employment history • Evidence that career progression is consistent with personal circumstances • Evidence that present achievement and performance is commensurate with totality of period of training • At least 12 months experience⁷ in this specialty (not including Foundation modules) by time of appointment² 	<p>Application form</p> <p>Interview / Selection centre</p>
Application Completion	ALL sections of application form completed FULLY according to written guidelines	Application form

Selection Criteria			
	Essential	Desirable	When Evaluated
Career Progression	As Above	<ul style="list-style-type: none"> • Experience of clinical specialties where there is a significant component of infection, including infectious diseases • Experience of laboratory work (including research) relevant to medical microbiology/virology 	Application form
Clinical Skills	Clinical Knowledge and Expertise: <ul style="list-style-type: none"> • Demonstrates appropriate knowledge base and sound clinical judgement • Demonstrates basic awareness of importance and impact of infection on clinical practice • Aware of laboratory skills related to Microbiology/Virology 	<ul style="list-style-type: none"> • Able to demonstrate laboratory skills related to Microbiology/Virology 	<p>Application form</p> <p>Interview / Selection centre</p> <p>References</p>
Academic / Research Skills	Research Skills: <ul style="list-style-type: none"> • Demonstrates understanding of the principles and importance of audit and research 	<ul style="list-style-type: none"> • Evidence of relevant academic and research achievements, e.g. degrees, prizes, awards, distinctions, publications, presentations, other achievements • Evidence of active participation in audit Teaching: <ul style="list-style-type: none"> • evidence of interest and experience in teaching 	<p>Application form</p> <p>Interview / Selection centre</p>
