

2012 Person Specification
Application to enter Specialty Training at ST3: Intensive Care Medicine

Entry Criteria		
	Essential Criteria	When Evaluated¹
Qualifications	<ul style="list-style-type: none"> • MBBS or equivalent medical qualification <p>AND</p> <ul style="list-style-type: none"> • FRCA Primary MCQ Examination or equivalent by date of application • Primary FRCA or equivalent by time of appointment² <p>OR</p> <ul style="list-style-type: none"> • MRCP(UK) Part 1 or equivalent³ at time of application • MRCP(UK) full diploma or equivalent³ by time of appointment²(for subsequent Rounds, the full qualifying exam must be obtained by the date of offers) <p>OR</p> <ul style="list-style-type: none"> • MCEM parts B&C⁴ or equivalent by time of interview 	<p>Application form</p> <p>Interview / Selection centre / pre-employment check</p>

¹ 'when evaluated' is indicative, but may be carried out at any time throughout the selection process

² Time of appointment refers to the date at which the post commences

³ It is not possible to specify individual equivalent exams. If CMT competences will have been gained (see 'Eligibility' section) before commencement of ST3 training then the associated Postgraduate exam is *likely* to be deemed equivalent

⁴ for possible equivalence see 'Examinations and EM training' on the CEM web site

<p>Eligibility</p>	<ul style="list-style-type: none"> • Eligible for full registration with the GMC at time of appointment² and hold a current licence to practice.⁵ • Evidence of achievement of Foundation competences from a UKFPO affiliated Foundation Programme or equivalent by time of appointment² in line with GMC standards/ Good Medical Practice including: <ul style="list-style-type: none"> ○ <i>Make the care of your patient your first concern</i> ○ <i>Protect and promote the health of patients and of the public</i> ○ <i>Provide a good standard of practice and care</i> ○ <i>Treat patients as individuals and respect their dignity</i> ○ <i>Work in partnership with patients</i> ○ <i>Be honest and open and act with integrity</i> • Evidence of achievement of CT/ST1 & 2 competences in one of the qualifying core training schemes of Core Anaesthetic Training, Core Medical Training or Acute Care Common Stem by time of commencement of the ST3 training post. Competences are determined by the core training programme followed and are demonstrated by: <p>Anaesthesia</p> <ul style="list-style-type: none"> • Basic Level Training Certificate (BLTC) awarded following completion of 24 months of basic level training (minimum 21 months anaesthesia and 3 months ICM training) <p>or</p> <ul style="list-style-type: none"> • Written statement from College Tutor that BLTC will be issued by the time of expected commencement of post, including evidence of satisfactory Annual Review of Career Progression for ST1/CT1. <p>or</p> <ul style="list-style-type: none"> • Evidence of achieving ST1 and ST2 anaesthesia and ICM competences supported by evidence from work-based assessments of clinical performance (DOPS, Mini-CEX, CBD) and appraisal/educational supervisors letter or equivalent. <p>OR</p> <p>Medicine</p> <ul style="list-style-type: none"> • Evidence of achievement of CT/ST1 competences in medicine at time of application & CT/ST2 competences in medicine (as defined by the curricula relating to Core Medical training) by the commencement of the ST3 training post (August 2012 or later), supported by evidence from work-based assessments of clinical performance (DOPS, Mini-CEX, CBD, ACAT) and Multi-source Feedback or equivalent, ARCP or equivalent <p>OR</p> <p>ACCS</p> <ul style="list-style-type: none"> • Evidence of achievement of CT/ST1 competences in ACCS at time of application & CT/ST2 competences in ACCS by the commencement of the ST3 training post (August 2012 or later), supported by evidence from work-based assessments of clinical performance (DOPS, Mini-CEX, CBD, ACAT) and Multi-source Feedback or equivalent, ARCP or equivalent • Eligibility to work in the UK • Not previously relinquished, released or removed from a training programme in this specialty except under exceptional circumstances⁶ 	<p>Application form</p> <p>Application form Interview / Selection centre⁷</p> <p>Application form/ Interview / Selection centre</p> <p>Application form</p> <p>Application form</p>
---------------------------	--	--

⁵ The GMC introduced a licence to practice in 2009. Any doctor wishing to practice in the UK after this date must be both registered and hold a licence to practice at time of appointment.

⁶ Examples might include ARCP outcome 4 or failure to progress after two or more failed RITA Es. Applications will only be considered if there is a letter of support from the Postgraduate Dean or designated Deputy of the deanery in which they worked. Should the Postgraduate Dean not support the application, appeal may be made to the Recruitment Lead whose decision will be final. The Recruitment lead may be the recruitment team at the office managing recruitment or at the deanery to whom you are making your application.

Fitness To Practise	Is up to date and fit to practise safely	Application form References
