<b>Health</b>	Meets professional health requirements (in line with GMC standards/Good Medical Practice)	Application form Pre-employment health screening

<sup>1</sup> 'when evaluated' is indicative, but may be carried out at any time throughout the selection process

<sup>2</sup> Time of appointment refers to the date at which the post commences

<sup>3</sup> The GMC introduced a licence to practice in 2009. Any doctor wishing to practice in the UK after this date must be both registered and hold a licence to practice by time of appointment.

<sup>4</sup> Examples might include ARCP outcome 4 or failure to progress after two or more failed RITA Es. Applications will only be considered if there is a letter of support from the Postgraduate Dean or designated Deputy of the deanery in which they worked. Should the Postgraduate Dean not support the application, appeal may be made to the Recruitment Lead whose decision will be final. The Recruitment lead may be the recruitment team at the office managing recruitment or at the deanery to whom you are making your application.

<sup>5</sup> A selection centre is a process not a place. It involves a number of selection activities that may be delivered within the Unit of Application.

<b>Career Progression<sup>6</sup></b>	<ul style="list-style-type: none"> <li>• Ability to provide complete details of employment history</li> <li>• Evidence that career progression is consistent with personal circumstances</li> <li>• Evidence that present achievement and performance is commensurate with totality of period of training</li> <li>• At least <b>24 months experience<sup>7</sup></b> in surgery (not including Foundation modules but <b>including Paediatric or neonatal critical care</b>), of which <b>at least 6 months</b> has been in paediatric surgery</li> </ul>	Application form Selection centre
